## ACOUSTIC MATS

### Product Specifications

**Product Code:** 1199

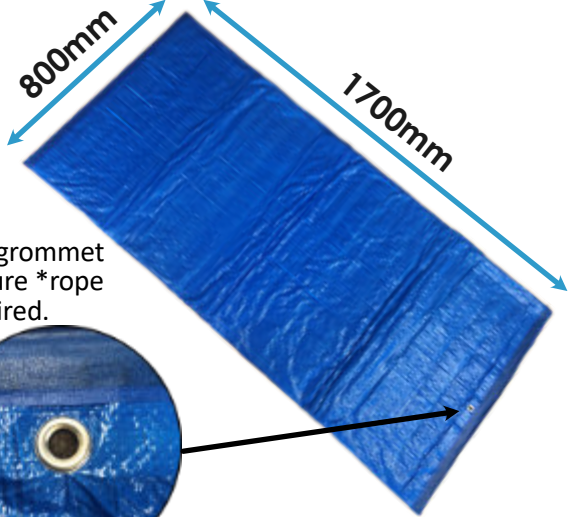

**Description:** Acoustic Mats

**Weight (approx.)**  
3040 grams

- Features**
- Sound damping properties
  - Vibration absorber
  - High insulation factors
  - Strong and durable
  - Water resistant
  - Excellent cushioning

**Performance**

<b>Outer Material</b>	UV Stabilised
	Rot resistant
	Mildew resistant
	Shrinkage resistant
	Tear proof
	Light weight
	Durable metal grommet
	Rope reinforced hem
<b>Inner Material</b>	Soft
	Flexible
	Moderately firm

Metal grommet to secure \*rope if required.

NOTE: \*Rope not supplied

**Decoration**  
**Colours:** BLUE

**Materials**

<b>Inner</b>	<b>Materials</b>
	Industrial felt mixed dense textile fibres
<b>Outer</b>	<b>Materials</b>
	Reinforced woven polyethylene
